

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Larry Fales
DOCKET NO.: 21-02924.001-R-1
PARCEL NO.: 06-17-403-014

The parties of record before the Property Tax Appeal Board are Larry Fales, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,912
IMPR.: \$33,982
TOTAL: \$40,894

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 960 square feet of living area. The dwelling was constructed in 1972 and has an unfinished basement. The property has a 4,800 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .84 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of vinyl siding exterior construction ranging in size from 850 to 975 square feet of living area. The homes were built from 1928 to 1981, with comparables #1 and #3 having effective ages of 1976 and 1967, respectively. Two dwellings have central air conditioning, two comparables each have a basement with one having finished area, two comparables each have a

crawl-space foundation, and one comparable has a garage containing 528 square feet of building area. The parcels range in size from 4,790 to 10,000 square feet of land area. The comparables sold from December 2019 to January 2021 for prices ranging from \$65,000 to \$92,000 or from \$76.47 to \$98.29 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$27,741, for an estimated market value of \$83,231 or \$86.70 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,894. The subject's assessment reflects a market value of \$122,989 or \$128.11 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .7 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding or vinyl siding exterior construction each containing 960 square feet of living area. The dwellings were built from 1973 to 1982, with comparable #1 having an effective age of 1997. Each dwelling has a basement with two having finished area, four comparables have central air conditioning, and three comparables each have a garage ranging in size from 280 to 576 square feet of building area. The parcels range in size from 4,600 to 6,650 square feet of land area. The comparables sold from January 2020 to May 2021 for prices ranging from \$156,000 to \$184,000 or from \$162.50 to \$191.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant noted that three of the board of review's comparables differ from the subject in exterior construction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables due to differences in age, foundation, garage, basement finish, and/or less proximate sale date for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparables #1, #2, and #5, which feature finished basement area and/or a garage unlike the subject.

The Board finds the best evidence of market value to be board of review comparable sales #3 and #4, which sold proximate to the valuation date at issue and are similar to the subject in age,

location, dwelling size, and some features. These most similar comparables sold for prices of \$160,000 and \$165,100 or for \$166.67 and \$171.98 per square foot of living area, including land. The subject's assessment reflects a market value of \$122,989 or \$128.11 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
