

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hong Byun
DOCKET NO.: 21-02950.001-R-1
PARCEL NO.: 15-21-221-026

The parties of record before the Property Tax Appeal Board are Hong Byun, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,701
IMPR.: \$98,135
TOTAL: \$138,836

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of brick exterior construction with 1,983 square feet of living area that was constructed in 2006. Features of the home include an unfinished basement, central air conditioning and a 420 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.10 of a mile from the subject property. The comparables are improved with two-story townhomes of brick and wood siding exterior construction with either 1,784 or 1,968 square feet of living area. The dwellings were built from 2006 to 2010. One comparable has an unfinished basement and three comparables each have a concrete slab foundation. Each dwelling has central air conditioning and a garage with either 420 or 486 square feet of building area. Two comparables each have

one fireplace. The properties sold from April 2019 to March 2021 for prices ranging from \$322,000 to \$362,000 or from \$169.72 to \$183.94 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$117,897 which reflects a market value of \$353,726 or \$178.38 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,836. The subject's assessment reflects a market value of \$417,552 or \$210.57 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.10 of a mile from the subject property. Board of review comparable #5 is a subsequent sale of the appellant's comparable #3. The comparables are improved with two-story townhomes of brick or brick and wood siding exterior construction with 1,784 or 1,983 square feet of living area that were built in either 2006 or 2007. Each comparable has an unfinished basement, central air conditioning and a 420 square foot garage. The properties sold from April 2020 to November 2021 for prices ranging from \$405,000 to \$419,000 or from \$209.28 to \$234.87 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In rebuttal, the appellant argued the board of review's comparable #1 supports a reduction in the subject's assessment. With respect to the common property, the appellant argued its April 2020 sale date is a better indicator of market value than the board of review's November 2021 sale of the same property because this sale occurred well after the January 1, 2021 lien date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration, where the common property sold twice. The Board gives less weight to appellant comparables #1, #2 and #4 which have a concrete slab foundation in contrast with the subject's basement foundation.

The Board finds the best evidence of market value to be appellant comparable #3 along with the board of review comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2020 to November 2021 for prices ranging from \$322,000 to \$419,000 or from \$180.49 to \$234.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$417,552 or \$210.57 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the

comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
