

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Grozdic
DOCKET NO.: 21-02961.001-R-1
PARCEL NO.: 14-33-109-004

The parties of record before the Property Tax Appeal Board are Mike Grozdic, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,754
IMPR.: \$138,989
TOTAL: \$173,743

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story and part 2-story¹ dwelling of wood siding exterior construction with 3,258 square feet of living area. The dwelling was constructed in 1987 and has an effective age of 1990. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 960 square feet of building area. The property has an approximately 34,320 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.26 miles of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story

¹ Although the parties describe the subject as a 1-story dwelling, the Board finds the property record card submitted by the board of review to be the best evidence of the subject's design.

or 2-story dwellings of wood siding exterior construction ranging in size from 3,138 to 3,586 square feet of living area. The homes were built from 1929 to 1989, with the oldest home having an effective age of 1986. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in size from 756 to 1,114 square feet of building area. Comparable #3 has a workshop. The parcels range in size from 41,930 to 52,000 square feet of land area. The comparables sold in June 2019 and May 2020 for prices ranging from \$405,000 to \$550,000 or from \$129.06 to \$153.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$153,805, for an estimated market value of \$461,461 or \$141.64 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,743. The subject's assessment reflects a market value of \$522,535 or \$160.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 1.16 miles of the subject and within the subject's assessment neighborhood. The comparables consist of 1.5-story or 2-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 2,912 to 3,452 square feet of living area. The dwellings were built from 1982 to 1994. Each dwelling has central air conditioning, one or two fireplaces, an unfinished basement, and a garage ranging in size from 693 to 1,334 square feet of building area. The parcels range in size from 39,690 to 103,050 square feet of land area. The comparables sold from July 2020 to November 2021 for prices ranging from \$579,000 to \$800,000 or from \$193.83 to \$245.32 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate to the January 1, 2021 valuation date at issue. The Board also gives reduced weight to appellant comparable #3 and board of review comparable #4 due to differences in age, location, and/or site size when compared to the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1, #2, #3, and #5, which sold proximate to the valuation date at issue and are similar to the subject in age, location, dwelling size, site size, and features. These most similar comparables sold from

July 2020 to November 2021 for prices ranging from \$670,000 to \$800,000 or from \$215.71 to \$245.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$522,535 or \$160.39 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
