

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathy Kaleta
DOCKET NO.: 21-02973.001-R-1
PARCEL NO.: 13-01-300-034

The parties of record before the Property Tax Appeal Board are Kathy Kaleta, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,977
IMPR.: \$159,441
TOTAL: \$199,418

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 3,566 square feet of living area. The dwelling was constructed in 1985. Features of the home include an unfinished basement, central air conditioning, three fireplaces, and a garage containing 768 square feet of building area. The property has an 87,120 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within .68 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding, brick, or wood siding and brick exterior construction ranging in size from 2,999 to 4,241 square feet of living area. The homes were built from 1979 to 1989, with the oldest home having an effective age of

1981. Each dwelling has central air conditioning, two fireplaces, and a garage ranging in size from 876 to 997 square feet of building area. Two comparables each have basements with finished area and one comparable has a crawl-space foundation. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$117,383 to \$164,239 or from \$38.73 to \$39.28 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$139,252 or \$39.05 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,418. The subject property has an improvement assessment of \$159,441 or \$44.71 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .59 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding, brick, or wood siding and brick exterior construction ranging in size from 3,424 to 3,852 square feet of living area. The homes were built from 1982 to 1988. Each dwelling has central air conditioning, one to three fireplaces, a basement with two having finished area and one being a walk-out style, and a garage ranging in size from 704 to 864 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$172,395 to \$180,254 or from \$45.69 to \$50.35 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables, which differ from the subject in dwelling size, foundation, and/or inground swimming pool amenity. The Board also gives reduced weight to board of review comparable #1 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be board of review comparables #2 through #5, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$173,553 to \$180,254 or from \$45.69 to \$48.94 per square foot of living area. The subject's improvement assessment of \$159,441 or \$44.71 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best

comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
