

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gillespie Ford LLC  
DOCKET NO.: 21-03014.001-C-1  
PARCEL NO.: 07-07-316-016

The parties of record before the Property Tax Appeal Board are Gillespie Ford LLC, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$650,718  
**IMPR.:** \$458,657  
**TOTAL:** \$1,109,375

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of part 1-story part 2-story<sup>1</sup> masonry commercial building that is used as an auto dealership. The building was constructed in 2006, is approximately 15 years old, and has 26,920 square feet of gross building area. The property has a 193,032 square foot site and is located in Lake Villa, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in East Dundee, Lake Villa, Waukegan, or West Chicago and from 4 to 46 miles from the subject. The parcels range in size from 108,464 to 262,776 square feet of land area. The comparables are improved with commercial buildings which have each been used as an auto dealership. The buildings range in

size from 16,299 to 31,600 square feet of gross building area and range in age from 13 to 50 years old. The comparables sold from May 2019 to November 2021 for prices ranging from \$1,350,000 to \$2,800,000 or from \$58.70 to \$106.25 per square foot of building area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$1,109,375. The subject's assessment reflects a market value of \$3,336,466 or \$123.94 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located in Libertyville, Highland Park, Lake Villa, or Park City. Comparable #3 is the same property as the appellant's comparable #2. The parcels range in size from 41,417 to 180,774 square feet of land area. The comparables are improved with commercial buildings which are reported to have each been used as an auto dealership or auto repair facility. The buildings range in size from 16,299 to 52,000 square feet of gross building area and were built from 1970 to 2013. The comparables sold from May 2019 to July 2022 for prices ranging from \$1,575,000 to \$11,643,000 or from \$96.63 to \$466.97 per square foot of building area, including land.

The board of review submitted a brief contending that the appellant's comparables #1 and #4 are located in a different county than the subject; the appellant's comparable #2 was used as an auto repair facility at the time of sale; and the appellant's comparable #3 was part of an estate portfolio sale. The board of review also noted that its comparable #5 was an REO sale.

Based on this evidence the board of review requested the subject's assessment be sustained.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the board of review's comparable #1, which sold for considerably more than the other comparables in this record, suggesting this sale is an outlier.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, and #4, the appellant's comparable #2/board of review's comparable #3, and the board of review's comparables #2, #4, #5, and #6, which have varying degrees of similarity to the subject. These most similar comparables sold from May 2019 to July 2022 for prices ranging from \$1,350,000 to \$8,750,000 or from \$58.70 to \$297.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$3,336,466 or \$123.94 per square foot of living

area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as building size, age, and site size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
