

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Berg Holdings, Inc.  
DOCKET NO.: 21-03043.001-R-1  
PARCEL NO.: 08-16-312-010

The parties of record before the Property Tax Appeal Board are Berg Holdings, Inc., the appellant, by attorney Ted Bond, of the Law Offices of Thaddaus M. Bond Jr. in Libertyville; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,865  
**IMPR.:** \$41,927  
**TOTAL:** \$54,792

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 1,590 square feet of living area. The dwelling was constructed in 1910. Features of the home include an unfinished basement, central air conditioning, and a garage containing 360 square feet of building area. The property has an approximately 13,000 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood. The comparables consist of 1.5-story dwellings of stucco, aluminum siding, or wood siding exterior construction ranging in size from 1,170 to 1,832 square feet of living area. The homes were built in 1925 or 1940. Each dwelling has an unfinished basement and a garage ranging in size from 266 to 576 square feet of building area. One comparable has

central air conditioning and one comparable has a fireplace. The parcels range in size from 5,590 to 6,190 square feet of land area. The comparables sold from February 2018 to July 2019 for prices ranging from \$114,900 to \$155,000 or from \$75.84 to \$110.26 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$39,996, for an estimated market value of \$120,000 or \$75.47 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,792. The subject's assessment reflects a market value of \$164,788 or \$103.64 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables consist of 1.5-story or part 1-story and part 2-story dwellings<sup>1</sup> of wood siding or brick exterior construction ranging in size from 1,425 to 1,755 square feet of living area. The dwellings were built from 1920 to 1940, with comparable #5 having an effective age of 1960. Each dwelling has an unfinished basement, one comparable has central air conditioning, three comparables each have one or two fireplaces, and four comparables each have a garage ranging in size from 216 to 396 square feet of building area. The parcels range in size from 4,870 to 8,970 square feet of land area. The comparables sold from March 2020 to September 2021 for prices ranging from \$100,000 to \$220,000 or from \$56.98 to \$141.03 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal. The Board also gives reduced weight to board of review comparables #4 and #5, which differ from the subject in effective age or lack a garage, a feature of the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1 through #3, which sold proximate to the valuation date at issue and are similar to the subject in

<sup>1</sup> Although the board of review's grid describes comparable #1 as a 1-story dwelling, the grid reports an 840 square foot ground floor and 1,560 square feet of above ground living area, indicating that this property is a part 2-story dwelling.

age, location, dwelling size, and some features. These most similar comparables sold from March 2020 to September 2021 for prices ranging from \$100,000 to \$220,000 or from \$56.98 to \$141.03 per square foot of living area, including land. The subject's assessment reflects a market value of \$164,788 or \$103.64 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
