

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Poniente Properties LLC
DOCKET NO.: 21-03044.001-R-1
PARCEL NO.: 04-08-311-004

The parties of record before the Property Tax Appeal Board are Poniente Properties LLC, the appellant, by attorney Ted Bond, of the Law Offices of Thaddaus M. Bond Jr. in Libertyville; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,299
IMPR.: \$37,977
TOTAL: \$47,276

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,120 square feet of living area. The dwelling was constructed in 1975. Features of the home include an unfinished basement, central air conditioning, and a garage containing 440 square feet of building area. The property has an approximately 16,490 square foot site and is located in Zion, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables consist of one-story dwellings of wood siding exterior construction ranging in size from 1,141 to 1,549 square feet of living area. The homes were built from 1955 to 1979. One dwelling has central air conditioning, two comparables each have one or two fireplaces, one comparable has an unfinished basement, and three comparables each have a garage ranging in size from 440 to 572 square feet of building

area. The parcels range in size from 16,200 to 33,000 square feet of land area. The comparables sold from October 2017 to July 2019 for prices ranging from \$50,000 to \$123,500 or from \$43.82 to \$106.83 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$36,664, for an estimated market value of \$110,003 or \$98.22 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,276. The subject's assessment reflects a market value of \$142,183 or \$126.95 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The comparables consist of one-story dwellings of wood siding or log exterior construction ranging in size from 1,040 to 1,218 square feet of living area. The dwellings were built from 1956 to 1983. Three dwellings have central air conditioning, four comparables each have an unfinished basement, one comparable has a crawl-space foundation, and each comparable has a garage ranging in size from 400 to 780 square feet of building area. The parcels range in size from 6,600 to 102,140 square feet of land area. The comparables sold from March 2020 to October 2021 for prices ranging from \$163,500 to \$231,000 or from \$139.57 to \$200.89 per square foot of living area, including land. The board of review also submitted a memorandum noting that the appellant's comparables #1 and #2 were foreclosures, and submitted Multiple Listing Service sheets for those comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal. The Board also gives reduced weight to board of review comparables #3 and #4 due to differences in foundation and/or site size when compared to the subject.

The Board finds the best evidence of market value to be board of review comparable sales #1, #2, and #5, which sold proximate to the valuation date at issue and are similar to the subject in age, location, dwelling size, site size, and some features. These most similar comparables sold from March 2020 to October 2021 for prices ranging from \$163,500 to \$231,000 or from \$145.98 to \$200.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$142,183 or \$126.95 per square foot of living area, including land,

which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
