

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Berg Holdings, Inc.
DOCKET NO.: 21-03051.001-R-1
PARCEL NO.: 08-16-114-003

The parties of record before the Property Tax Appeal Board are Berg Holdings, Inc., the appellant, by attorney Ted Bond, of the Law Offices of Thaddaus M. Bond Jr. in Libertyville; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,500
IMPR.: \$36,810
TOTAL: \$44,310

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,096 square feet of living area. The dwelling was constructed in 1928 and has an effective age of 1956. Features of the home include an unfinished basement, central air conditioning, and a garage containing 352 square feet of building area. The property has an approximately 7,580 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding exterior construction ranging in size from 1,096 to 1,238 square feet of living area. The homes were built from 1928 to 1935. Each dwelling has an unfinished basement and a garage ranging in size from 468 to 672 square feet of building area. Three comparables have central air

conditioning and one comparable has a fireplace. The parcels range in size from 7,200 to 8,970 square feet of land area. The comparables sold from March 2019 to March 2020 for prices ranging from \$134,000 to \$152,000 or from \$117.12 to \$138.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$37,496, for an estimated market value of \$112,499 or \$102.64 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,310. The subject's assessment reflects a market value of \$133,263 or \$121.59 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the subject's assessment neighborhood. Comparable #2 is the same property as appellant comparable #3. The comparables consist of one-story dwellings of wood siding exterior construction ranging in size from 1,096 to 1,156 square feet of living area. The dwellings were built in 1920 or 1928. Each dwelling has an unfinished basement and a garage ranging in size from 216 to 616 square feet of building area. One comparable has central air conditioning and one comparable has a fireplace. The parcels range in size from 7,200 to 8,970 square feet of land area. The comparables sold from January 2020 to October 2021 for prices ranging from \$152,000 to \$202,500 or from \$134.08 to \$179.84 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal.

The Board finds the best evidence of market value to be the parties' remaining comparables, including the common comparable, which sold proximate to the valuation date at issue and are similar to the subject in age, dwelling size, and some features. These most similar comparables sold from January 2020 to October 2021 for prices ranging from \$139,000 to \$202,500 or from \$124.00 to \$179.84 per square foot of living area, including land. The subject's assessment reflects a market value of \$133,263 or \$121.59 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
