

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Tyndorf
DOCKET NO.: 21-03107.001-R-1
PARCEL NO.: 14-07-101-008

The parties of record before the Property Tax Appeal Board are Thomas Tyndorf, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,623
IMPR.: \$225,270
TOTAL: \$279,893

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,388 square feet of living area. The dwelling was built in 2001. Features of the home include an unfinished walkout basement, central air conditioning, two fireplaces and a 1,311 square foot garage. The property has an approximately 41,394 square foot site and is located in North Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within .51 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 5,364 to 5,906 square feet of living area. The dwellings were built in 1996 or 2001. The comparables have unfinished basements, one of which is a walkout style, central air

conditioning, one to four fireplaces and a garage ranging in size from 881 to 2,109 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$179,562 to \$209,188 or from \$33.28 to \$35.49 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$184,848 or \$34.31 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$279,893. The subject property has an improvement assessment of \$225,270 or \$41.81 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject and within .51 of a mile from the subject. The comparables consist of 1-story¹ or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 5,213 to 5,903 square feet of living area. The dwellings were built from 1998 to 2005. The comparables have unfinished basements, three of which are walkout style, central air conditioning, two or three fireplaces, and a garage ranging in size from 940 to 1,247 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments ranging from \$210,054 to \$240,601 or from \$39.50 to \$41.91 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and board of review comparable #3 which have inground swimming pools, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are relatively similar to the subject in location, dwelling size, age, and features. These seven comparables have improvement assessments that range from \$179,562 to \$240,601 or from \$33.48 to \$41.91 per square foot of living area. The subject's improvement assessment of \$225,270 or \$41.81 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject property, the Board finds the appellant

¹ The board of review's grid analysis described comparable #1 as a 1-story dwelling, but the above ground living area exceeds the ground floor living area which suggests it may be a part 2-story dwelling.

did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
