

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Burghardt
DOCKET NO.: 21-03181.001-R-1
PARCEL NO.: 16-29-407-023

The parties of record before the Property Tax Appeal Board are Peter Burghardt, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,750
IMPR.: \$105,968
TOTAL: \$141,718

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.75-story dwelling of wood siding exterior construction with 2,250 square feet of living area. The dwelling was built in 1928 and is approximately 93 years old. Features of the home include a concrete slab foundation, central air conditioning, one fireplace, and a garage with 400 square feet of building area. The property has an approximately 7,501 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.20 of a mile from the subject. The comparables are reported to be improved with 1.8-story or 2-story dwellings of wood siding exterior construction ranging in size from 1,738 to 2,720 square feet of living area. The dwellings range in age from 96 to 121 years old. One

comparable has a basement with finished area and three comparables each have a concrete slab foundation. Each comparable has central air conditioning and a garage ranging in size from 368 to 784 square feet of building area. Three comparables each have one fireplace. The improvement assessments on these properties range from \$62,393 to \$112,338 or from \$35.90 to \$45.88 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$94,140 or \$41.84 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,718. The subject property has an improvement assessment of \$105,968 or \$47.10 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on six equity comparables with the same assessment neighborhood code as the subject property and located within 0.28 miles from the subject. The comparables are improved with 1-story¹, 1.5-story, 1.75-story, or 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,224 or 2,420 square feet of living area. The dwellings were built from 1908 to 1949 with comparable #2 having an effective year built of 1936. Each comparable has an unfinished basement and a garage ranging in size from 373 to 576 square feet of building area. Five comparables each have central air conditioning. Two comparables each have one fireplace. The improvement assessments on these properties range from \$112,045 to \$130,367 or from \$49.45 to \$56.81 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on ten comparables to support their respective positions. The Board gives less weight to the appellant's comparables which are less similar in dwelling size when compared to the subject than other properties in this record.

The Board finds the best evidence of assessment equity to be the board of review comparables which are more similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$112,045 to \$130,367 or from \$49.45 to \$56.81 per square foot of living area. The subject's improvement assessment of \$105,968 or \$47.10 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not

¹ The board of review's comparable #3 has a ground floor area of 903 square feet with an above ground area of 2,961 square feet, suggesting the dwelling is part two-story in design.

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
