

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrea Crain  
DOCKET NO.: 21-03187.001-R-1  
PARCEL NO.: 16-29-109-033

The parties of record before the Property Tax Appeal Board are Andrea Crain, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.<sup>1</sup>

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$58,584  
**IMPR.:** \$173,194  
**TOTAL:** \$231,778

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,319 square feet of living area. The dwelling was constructed in 1985 and is 36 years old. Features of the home include a partial basement and partial slab foundation. The subject also has central air conditioning, one fireplace and an attached garage with 556 square feet of building area. The property has a 16,104 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .74 miles from the subject property. The comparables have sites ranging in size from 8,520 to 12,201 square feet of

land area and are improved with 1.8-story or 2-story dwellings of wood siding or brick exterior construction ranging in size from 2,824 to 3,456 square feet of living area. The dwellings are 25 to 70 years old. Two comparables have full basements and two comparables appear to have partial basements and partial slab foundations. Each comparable has central air conditioning, one fireplace and a garage that ranges in size from 400 to 660 square feet of building area. The comparables sold from June 2018 to September 2020 for prices ranging from \$525,000 to \$652,000 or from \$176.40 to \$190.92 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,778. The subject's assessment reflects a market value of \$695,404 or \$209.52 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .82 miles from the subject property. Four comparables are reported to have sites ranging in size from 7,920 to 20,600 square feet of land area. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,250 to 3,626 square feet of living area. The dwellings were built from 1964 to 2004. The comparables have basements, three of which have finished area. Each comparable has central air conditioning, one fireplace and a garage that ranges in size from 399 to 528 square feet of building area. The properties sold from August 2020 to October 2021 for prices ranging from \$715,000 to \$782,500 or from \$215.80 to \$227.62 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #3 and #4 which sold over 16 months prior to the January 1, 2021 assessment date and were less likely to be indicative of the subject's market value. The Board gives less weight to board of review comparables #3, #4 and #5 which have basements with finished area when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #1 and #2 along with board of review comparables #1 and #2 which sold proximate in time to the assessment date at issue and have varying degrees of similarity to the subject in location, design, dwelling size, age and features. These comparables sold from March to November 2020 for prices ranging from \$525,000 to \$740,000 or from \$176.40 to \$227.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$695,404 or \$209.52 per square foot of living

area, including land, which is within the range established by the best comparable sales in the record. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
