

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Fine
DOCKET NO.: 21-03190.001-R-1
PARCEL NO.: 16-29-106-008

The parties of record before the Property Tax Appeal Board are Steven Fine, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$90,490
IMPR.: \$138,705
TOTAL: \$229,195

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,991 square feet of living area. The dwelling was constructed in 1941 and is approximately 80 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a 399 square foot garage. The property has an approximately 26,545 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within 0.36 of mile from the subject property. The appellant reported that the comparables are improved with 1.8-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,205 to 3,456 square feet of living area. The dwellings range in age from 81 to 91 years

old. Each comparable has an unfinished basement, central air conditioning, and a garage ranging in size from 360 to 528 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$96,077 to \$144,610 or from \$40.17 to \$43.57 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$125,921 or \$42.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$229,195. The subject property has an improvement assessment of \$138,705 or \$46.37 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.40 of a mile from the subject property. The board of review reported that the comparables are improved with 1.5-story, 1.75-story, or 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,784 to 3,265 square feet of living area. The dwellings were built from 1939 to 1955 with comparables #2, #4, and #5 having effective years built of 1957, 1974, and 1972, respectively. Each comparable has a basement with four having finished area, central air conditioning, and a garage ranging in size from 440 to 989 square feet of building area. Four comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$148,619 to \$181,890 or from \$48.13 to \$60.78 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparables #1, #2, #4, and #5 which differ from the subject in dwelling size or basement finish.

The Board finds the best evidence of assessment equity to be the parties' three remaining comparables which are similar to the subject in location, design, age, dwelling size, and some features. The comparables have improvement assessments that range from \$122,405 to \$181,890 or from \$40.17 to \$57.60 per square foot of living area. The subject's improvement assessment of \$138,705 or \$46.37 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
