

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Zamost  
DOCKET NO.: 21-03206.001-R-1  
PARCEL NO.: 16-28-101-001

The parties of record before the Property Tax Appeal Board are Daniel Zamost, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.<sup>1</sup>

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$81,746  
**IMPR.:** \$379,595  
**TOTAL:** \$461,341

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,857 square feet of living area. The dwelling was built in 2009 and is 12 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, an 800 square foot inground swimming pool, and a 720 square foot garage. The property has an approximately 20,700 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .88 miles from the subject property. The comparables have sites with 10,123 or 13,634 square feet of land area and are improved with two-story dwellings of brick exterior construction ranging in size from 3,768

to 4,575 square feet of living area. The dwellings are 14 or 19 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 600 to 713 square feet of building area. The comparables sold in August or October 2020 for prices ranging from \$910,000 to \$1,043,250 or from \$218.58 to \$276.87 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$461,341. The subject's assessment reflects a market value of \$1,384,162 or \$284.98 per square foot of living area, land included, when using the statutory level of assessment of 33.33%. In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .89 miles from the subject property. The comparables have sites ranging in size from 12,670 to 17,550 square feet of land area. The comparables are improved with two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,036 to 5,105 square feet of living area. The dwellings were built in 2008 or 2014. The comparables have basements, one of which has finished area. Each comparable has central air conditioning, one fireplace and a garage that ranges in size from 667 to 748 square feet of building area. The properties sold from January to November 2021 for prices ranging from \$1,225,000 to \$1,875,000 or from \$303.52 to \$381.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six suggested comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #2 and #3 along with board of review comparable #1 which have considerably smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #1 as well as board of review comparables #2 and #3 which are similar to the subject in location, age, dwelling size and most features. However, each comparable lacks an inground swimming pool which is a feature of the subject. Nevertheless, these comparables sold from October 2020 to November 2021 for prices ranging from \$1,000,000 to \$1,875,000 or from \$218.58 to \$381.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,384,162 or \$284.98 per square foot of living area, including land, which is within the range established by the best comparable sales in the record. Therefore, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
