

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Teven
DOCKET NO.: 21-03263.001-R-1
PARCEL NO.: 16-29-203-021

The parties of record before the Property Tax Appeal Board are Brian Teven, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.¹

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,377
IMPR.: \$138,035
TOTAL: \$189,412

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 2,297 square feet of living area. The dwelling was built in 1969 and is approximately 52 years old. Features of the home include a finished lower level, central air conditioning, and a 528 square foot garage. The property has an approximately 13,682 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick or wood siding exterior construction ranging in size

from 1,510 to 2,500 square feet of living area. The dwellings range in age from 52 to 58 years old. The appellant reported each comparable has a lower level with finished area. Each comparable also has central air conditioning and a garage that ranges in size from 484 to 528 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments that range from \$77,811 to \$118,720 or from \$44.63 to \$53.91 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,412. The subject property has an improvement assessment of \$138,035 or \$60.09 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,013 to 2,176 square feet of living area. The dwellings were built from 1959 to 1961 with comparable #2 having an effective year built of 1973. The comparables each have a finished lower level, central air conditioning and a garage ranging in size from 500 to 1,105 square feet of building area. One comparable has a basement and two comparables each have a fireplace. The comparables have improvement assessments that range from \$147,059 to \$1167,642 or from \$69.85 to \$78.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 as both have a considerably smaller dwelling size when compared to the subject. The Board gives less weight to board of review comparables #1, #3 and #5 which have a basement, a distant location being over 1 mile away, or a significantly larger garage when compared to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #4 as well as board of review comparables #2 and #4 which are more similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments ranging from \$111,578 to \$148,158 or from \$44.63 to \$71.18 per square foot of living area. The subject's improvement assessment of \$138,035 or \$60.09 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the

subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
