

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Natalie Schaefer  
DOCKET NO.: 21-03296.001-R-1  
PARCEL NO.: 11-11-301-021

The parties of record before the Property Tax Appeal Board are Natalie Schaefer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$63,480  
**IMPR.:** \$125,731  
**TOTAL:** \$189,211

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 2,302 square feet of living area. The dwelling was built in 1983 with a reported effective age of 1999 and is approximately 38 years old. Features of the home include 2,190 square foot unfinished basement, central air conditioning, one fireplace, 4.0 bathrooms, and a 484 square foot garage. The property has an approximately 44,247 square foot site and is located in Green Oaks, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.51 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding exterior construction ranging in size from 2,190 to 2,983 square feet of living area.

The dwellings are either 38 or 41 years old. Each comparable has a 1,285 to 2,483 square foot unfinished basement, central air conditioning, one or two fireplaces, 2.5 bathrooms, and a garage that ranges in size from 484 to 770 square feet of living area. The comparables have improvement assessments that range from \$97,142 to \$135,531 or from \$43.15 to \$46.76 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$103,417 or \$44.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,211. The subject property has an improvement assessment of \$125,731 or \$54.62 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property and within 0.57 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,170 to 2,615 square feet of living area. The dwellings were built in either 1980 or 1983 and thus would be approximately 38 or 41 years old. Comparables #1 and #3 have effective ages of 1996 or 1993, respectively. Each comparable has either a 1,080 or 1,240 square foot unfinished basement, central air conditioning, one fireplace, 2.5 bathrooms, and a garage that ranges in size from 420 to 1,136 square feet of living area. The comparables have improvement assessments that range from \$121,811 to \$132,725 or from \$50.76 to \$56.13 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 as well as the board of review comparables which differ from the subject in dwelling size and/or have 2-story designs, in contrast to the subject's 1-story design.

The Board finds the best evidence of assessment equity to the appellant's comparables #2 and #4 which are overall more similar to the subject in location, design, age, dwelling size, and most features. The comparables have improvement assessments of \$97,142 and \$102,409 or of \$44.36 and \$46.76 per square foot of living area. The subject's improvement assessment of \$125,731 or \$54.62 per square foot of living area exceeds the improvement assessments of the two best comparables in the record. However, based on this record and after considering adjustments to the best comparables for differences when compared to the subject such as dwelling size, basement size, and bathroom count, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
