

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shuying Ye  
DOCKET NO.: 21-03300.001-R-1  
PARCEL NO.: 15-29-413-026

The parties of record before the Property Tax Appeal Board are Shuying Ye, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,773  
**IMPR.:** \$101,064  
**TOTAL:** \$126,837

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 1,842 square feet of living area. The dwelling was constructed in 1983 and is approximately 38 years old. Features of the home include a basement with finished area, central air conditioning, and a garage with 399 square feet of building area. The property has an approximately 11,638 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located within 0.23 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,842 to 2,270 square feet of living area.

The dwellings are 38 or 42 years old. Each comparable has a basement with three having finished area, central air conditioning, and a garage ranging in size from 399 to 462 square feet of building area. Three comparables each have one fireplace. The improvement assessments on these properties range from \$96,982 to \$110,236 or from \$47.00 to \$52.65 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$90,580 or \$49.17 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$126,837. The subject property has an improvement assessment of \$101,064 or \$54.87 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.25 miles from the subject. Board of review comparable #2 is the same property as the appellant's comparable #4. The comparables are improved with 2-story dwellings of wood siding exterior construction with 1,757 or 1,842 square feet of living area. The dwellings were built in 1983. Each comparable has a basement with finished area, central air conditioning, and a garage with 399 or 420 square feet of building area. Four comparables each have one fireplace. Comparable #1 has a hot tub. The improvement assessments on these properties range from \$92,700 to \$102,503 or from \$51.89 to \$55.65 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight comparables to support their respective positions, including the parties' common comparable. The Board gives less weight to the appellant's comparables #1, #2, and #3 as well as board of review comparable #5 which are less similar in dwelling size than the other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are identical to the subject in age and dwelling size with varying degrees of similarity in location, design, and other features. These comparables have improvement assessments that range from \$96,982 to \$102,503 or from \$51.91 to \$55.65 per square foot of living area. The subject's improvement assessment of \$101,064 or \$54.87 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustment to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
