

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajesh Mandadi
DOCKET NO.: 21-03311.001-R-1
PARCEL NO.: 15-30-401-091

The parties of record before the Property Tax Appeal Board are Rajesh Mandadi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,805
IMPR.: \$49,110
TOTAL: \$70,915

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of wood siding exterior construction with 3,231 square feet of living area. The dwelling was built in 2015. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 652 square foot garage. The property has an approximately 10,742 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within 0.97 of a mile from the subject and with two of these comparables having the same assessment neighborhood code as the subject property. The properties have sites that range in size from 6,970 to 13,521 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,133 to 4,061 square feet of living area. The homes were built from 1995

to 2015. Each comparable has a basement with three having finished area, central air conditioning, one fireplace, and a garage ranging in size from 567 to 721 square feet of building area. The comparables sold from September 2019 to April 2020 for prices ranging from \$569,000 to \$672,000 or from \$165.48 to \$194.99 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$206,646 which reflects a market value of \$620,000 or \$191.89 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$254,908. The subject's assessment reflects a market value of \$766,641 or \$239.58 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales¹ with the same neighborhood code as the subject property and located within 0.19 miles from the subject property. Board of review comparables #3 and #5 are the same properties as the appellant's comparables #2 and #1, respectively. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,137 to 3,272 square feet of living area. The dwellings were built from 1979 to 1986. Three comparables each have a basement with two having finished area and one comparable has a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 684 square feet of building area. The comparables sold from April 2020 to March 2021 for prices ranging from \$760,000 to \$799,000 or from \$232.27 to \$248.65 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, which includes the parties' two common comparables. The Board gives less weight to the appellant's comparable #1/board of review comparable #5 and the appellant's comparable #3 which differ from the subject in dwelling size or foundation type.

The Board finds the best evidence of market value to be the parties' three remaining comparables, which includes one common comparable. The comparables are similar to the subject in location, design, age, dwelling size, and most features. The properties sold from July 2020 to March 2021 for prices ranging from \$780,000 to \$799,000 or from \$244.87 to \$248.65

¹ Board of review comparable #4 is the same property as board of review comparable #3.

per square foot of living area, land included. The subject's assessment reflects a market value of \$766,641 or \$239.58 per square foot of living area, land included, which falls below the range established by the best comparable sales in this record. Based on the record, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
