

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Wanland
DOCKET NO.: 21-03317.001-R-1
PARCEL NO.: 15-31-201-060

The parties of record before the Property Tax Appeal Board are Ted Wanland, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,431
IMPR.: \$135,367
TOTAL: \$183,798

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of brick exterior construction with 3,294 square feet of living area. The dwelling was built in 1985 and is approximately 36 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, a 550 square foot garage and a 450 square foot inground swimming pool.¹ The property has an approximately 52,816 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables with the same neighborhood code as the subject property and located within

¹ The description of the subject is drawn in part from the property record card and the board of review's evidence, as the appellant failed to disclose the subject's inground swimming pool.

0.61 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,136 to 3,508 square feet of living area. The dwellings range in age from 34 to 43 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 751 to 888 square feet of building area. The comparables have improvement assessments that range from \$107,966 to \$126,472 or from \$34.43 to \$38.91 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$121,219 or \$36.80 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,798. The subject property has an improvement assessment of \$135,367 or \$41.10 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located within 0.62 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,290 to 3,473 square feet of living area. The dwellings were built from 1984 to 1988 and thus range in age from 33 to 37 years old. Each comparable has a basement with three having finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 420 to 891 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$141,289 to \$145,943 or from \$40.99 to \$44.09 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to board of review comparables #1, #3, and #5 which have basement finish, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features, except each comparable lacks an inground swimming pool which is a feature of the subject. These comparables have improvement assessments that range from \$107,966 to \$145,943 or from \$34.43 to \$42.02 per square foot of living area. The subject's improvement assessment of \$135,367 or \$41.10 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best

comparable for differences from the subject, including but not limited to the subject's swimming pool amenity not found in the any of these comparables, the Board finds the appellant did not prove by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
