

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sandeep Bhardwaj
DOCKET NO.: 21-03345.001-R-1
PARCEL NO.: 11-32-104-036

The parties of record before the Property Tax Appeal Board are Sandeep Bhardwaj, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,355
IMPR.: \$115,482
TOTAL: \$151,837

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 2,721 square feet of living area. The dwelling was constructed in 1999 and is approximately 22 years old. Features of the home include an unfinished basement, 3.5 bathrooms, central air conditioning, a fireplace, and a 672 square foot garage. The property has an approximately 10,989 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .38 of a mile from the subject. The comparables consist of 2-story dwellings of brick exterior construction that range in size from 2,733 to 3,195 square feet of living area. The homes range in age from 19 to 23 years old. Each comparable has an unfinished basement, 2.5 or 3.5

bathrooms, central air conditioning, and either a 420 or a 620 square foot garage. Three comparables have either one or two fireplaces. The comparables have improvement assessments that range from \$99,221 to \$119,266 or from \$35.93 to \$37.71 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$100,181 or \$36.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$151,837. The subject has an improvement assessment of \$115,482 or \$42.44 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject and located within .29 of a mile from the subject. The comparables consist of 2-story dwellings of brick and frame exterior construction that range in size from 2,721 to 3,293 square feet of living area. The homes were built from 1997 to 1999. Each comparable has an unfinished basement with two being a walkout style, 2.5 or 3.5 bathrooms, and either a 649 or 672 square foot garage. Two comparables each have a fireplace. The comparables have improvement assessments that range from \$113,567 to \$144,001 or from \$41.74 to \$43.73 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 along with board of review comparable #3 due to their larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are identical or more similar to the subject in dwelling size. However, the appellant's comparable #3 would require upward adjustments for an additional bathroom and its smaller garage size while the board of review comparable #2 would require a downward adjustment for its larger dwelling size to make them more equivalent to the subject. These three comparables have improvement assessments that range from \$99,221 to \$129,110 or from \$36.30 to \$42.12 per square foot of living area. The subject's improvement assessment of \$115,482 or \$42.44 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and slightly above the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
