

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Asad
DOCKET NO.: 21-03350.001-R-1
PARCEL NO.: 11-36-201-029

The parties of record before the Property Tax Appeal Board are Douglas Asad, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,065
IMPR.: \$136,627
TOTAL: \$212,692

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story and part 2-story dwelling¹ of brick exterior construction with 2,530 square feet of living area. The dwelling was constructed in 1998 and is approximately 23 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 506 square foot garage. The property has a 7,915 square foot site and is located in Lake Forest, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.16 of a mile from the subject. The parcels range in size from 7,177 to 8,236 square feet of land area and are improved

¹ Although both parties reported the subject is a 1-story home, the Board finds the best evidence of the subject's design is found in its property record card presented by the board of review, which contains a sketch with measurements of the subject home and depicts second floor living area.

with 2-story homes of brick or wood siding exterior construction ranging in size from 2,754 to 3,498 square feet of living area. The dwellings range in age from 21 to 23 years old. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 904 square feet of building area. The comparables sold from July 2020 to March 2021 for prices ranging from \$513,000 to \$715,000 or from \$157.99 to \$236.02 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$212,692. The subject's assessment reflects a market value of \$639,675 or \$252.84 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.22 of a mile from the subject. The parcels range in size from 6,980 to 7,960 square feet of land area and are improved with part 1-story and part 2-story homes² of wood siding or brick and wood siding exterior construction ranging in size from 2,359 to 2,697 square feet of living area. The dwellings were built from 1996 to 1998. Each home has a basement, central air conditioning, a fireplace, and a 441 or a 462 square foot garage. The comparables sold from March to December 2021 for prices ranging from \$580,150 to \$715,000 or from \$245.93 to \$265.11 per square foot of living area, including land.

Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables, which are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$580,150 to \$715,000 or from \$236.02 to \$265.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$639,675 or \$252.84 per square foot of living

² The board of review reported the comparables are 1-story homes but also reported above ground living area that is greater than the reported ground floor living area, indicating these homes have second floor living area.

area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
