

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vadim Kulkin
DOCKET NO.: 21-03364.001-R-1
PARCEL NO.: 15-32-202-024

The parties of record before the Property Tax Appeal Board are Vadim Kulkin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,777
IMPR.: \$167,049
TOTAL: \$208,826

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,277 square feet of living area. The dwelling was constructed in 1998 and is approximately 23 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a garage with 600 square feet of building area. The property has an approximately 10,360 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same neighborhood code as the subject property and located within 0.06 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction with 2,912 or 3,420 square feet of living area. The homes are 22 or 23

years old. Each dwelling has a basement with three having finished area, central air conditioning, and a garage ranging in size from 610 to 672 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$134,890 to \$163,999 or from \$42.59 to \$47.95 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$148,530 or \$45.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,826. The subject property has an improvement assessment of \$167,049 or \$50.98 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject property and located within 0.04 of a mile from the subject. Board of review comparables #1 and #3 are the same properties as the appellant's comparables #1 and #3, respectively. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,912 to 3,462 square feet of living area. The homes were built in 1998 or 1999. Each dwelling has a basement with finished area, central air conditioning, and a garage ranging in size from 589 to 672 square feet of building area. Four comparables each have one fireplace. The comparables have improvement assessments ranging from \$134,890 to \$172,269 or from \$42.59 to \$51.42 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables, two of which are common to the parties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparable #4 which lacks basement finish, a feature of the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which includes the parties' two common comparables. These six comparables are similar to the subject in location, design, age, dwelling size and most features. These comparables have improvement assessments ranging from \$134,890 to \$172,269 or from \$42.59 to \$51.42 per square foot of living area. The subject's improvement assessment of \$167,049 or \$50.98 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
