

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert and Arona Landsman
DOCKET NO.: 21-03398.001-R-1
PARCEL NO.: 16-26-415-010

The parties of record before the Property Tax Appeal Board are Robert and Arona Landsman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$81,732
IMPR.: \$113,485
TOTAL: \$195,217

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,940 square feet of living area. The dwelling was built in 1970 and is approximately 51 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 466 square foot attached garage. The property has an approximately 11,890 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.70 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,595 to 3,259 square feet of living area. The

dwellings range in age from 48 to 81 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 440 to 640 square feet of building area. The comparables have improvement assessments that range from \$90,426 to \$113,979 or from \$34.85 to \$35.25 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$103,120 or \$35.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,217. The subject property has an improvement assessment of \$113,485 or \$38.60 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.11 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,880 to 3,317 square feet of living area. The dwellings were built from 1964 to 1979. The comparables each have a basement with three having finished area. Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 462 to 494 square feet of building area. Comparable #3 has an inground swimming pool. The comparables have improvement assessments that range from \$110,817 to \$132,930 or from \$38.48 to \$45.38 per square foot of living area.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #1, #2, and #3 as well as board of review comparables #1, #2, and #5 which are less similar to the subject in age or dwelling size than other comparables in this record. The Board also gives less weight to board of review comparable #3 which as an inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and board of review comparable #4 which are overall more similar to the subject in location, design, age, dwelling size, and features. The comparables have improvement assessments of \$111,463 and \$127,173 or of \$35.25 and \$38.58 per square foot of living area, respectively. The subject's improvement assessment of \$113,485 or \$38.60 per square foot of living area is bracketed by the two best comparables in the record on an overall improvement assessment basis but slightly above the two best comparables on a price per square foot basis. Based on this record and after considering adjustments to the two best comparables for differences when compared to the

subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
