

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Capotosto
DOCKET NO.: 21-03402.001-R-1
PARCEL NO.: 15-17-102-013

The parties of record before the Property Tax Appeal Board are Daniel Capotosto, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,679
IMPR.: \$146,857
TOTAL: \$192,536

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,412 square feet of living area. The dwelling was constructed in 1987. Features of the home include a basement with finished area, central air conditioning, two fireplaces and an 864 square foot garage. The property has an approximately 44,870 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.65 of a mile from the subject property. The comparables have sites with either 43,560 or 45,300 square feet of land area and are improved with 2-story dwellings of brick or brick and wood siding exterior construction that range in size from 4,322 to 4,616 square feet of living area that were built in 1987. Each comparable has a basement, with two having finished area. Each dwelling has

central air conditioning, one or three fireplaces and a garage with 792 or 805 square feet of building area. The properties sold from December 2019 to August 2020 for prices ranging from \$485,000 to \$600,000 or from \$111.09 to \$129.98 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$181,668 which reflects a market value of \$545,059 or \$123.54 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$192,536. The subject's assessment reflects a market value of \$579,056 or \$131.25 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.49 of a mile from the subject property. Board of review comparable #4 is the same property as the appellant's comparable #1. The comparables have sites that range in size from 43,560 to 46,170 square feet of land area and are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 3,576 to 4,616 square feet of living area. The homes were built in 1987 or 1989. Each comparable has a basement, two of which have finished area. Each dwelling has central air conditioning, one or three fireplaces and a garage ranging in size from 723 to 814 square feet of building area. The properties sold from August 2020 to September 2021 for prices ranging from \$600,000 to \$684,089 or from \$129.98 to \$174.60 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six comparable sales for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparable #3 which sold in 2019, less proximate to the January 1, 2021 assessment date at issue.

The Board finds the best evidence of market value to be appellant comparables #1 and #2 along with the board of review comparables, including the common property, which are similar to the subject in location, age, design, dwelling size and other features. These comparables sold from March 2020 to September 2021 for prices ranging from \$485,000 to \$684,089 or from \$111.09 to \$174.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$579,056 or \$131.25 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
