

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roberta Teitelbaum  
DOCKET NO.: 21-03403.001-R-1  
PARCEL NO.: 16-26-303-007

The parties of record before the Property Tax Appeal Board are Roberta Teitelbaum, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$91,804  
**IMPR.:** \$158,417  
**TOTAL:** \$250,221

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 4,246 square feet of living area. The dwelling was built in 1978 and is approximately 43 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 552 square foot garage. The property has an approximately 15,010 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.56 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 4,148 to 4,436 square feet of living area. The homes range in age from 42 to 71 years old. Each comparable has a basement with

one having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 484 to 550 square feet of building area. The comparables have improvement assessments ranging from \$142,950 to \$150,926 or from \$32.73 to \$34.49 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$143,408 or \$33.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$250,221. The subject property has an improvement assessment of \$158,417 or \$37.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.07 of mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 3,958 to 4,594 square feet of living area. The homes were built from 1978 to 1984 and thus would range in age from approximately 37 to 43 years old. Comparable #1 has an effective age of 1989. Each comparable has a basement with four having finished area, central air conditioning, one or two fireplaces, and a garage that ranges in size from 528 to 624 square feet of building area. Comparables #2 and #5 each have an inground swimming pool. The comparables have improvement assessments ranging from \$165,749 to \$186,347 or from \$40.11 to \$43.86 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #2 which are less similar to the subject in age than other comparables in this record. The Board also gives reduced weight to board of review comparables #2 and #5 which each have an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 as well as board of review comparables #1, #3 and #4 which present varying degrees of similarity to the subject in age, dwelling size, and some features. These comparables have improvement assessments that range from \$143,057 to \$186,347 or from \$34.18 to \$43.86 per square foot of living area. The subject's improvement assessment of \$158,417 or \$37.31 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences in age, finished basement and other amenities, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
