

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward L. Barnett  
DOCKET NO.: 21-03407.001-R-1  
PARCEL NO.: 15-20-407-025

The parties of record before the Property Tax Appeal Board are Edward L. Barnett, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.<sup>1</sup>

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$19,944  
**IMPR.:** \$169,463  
**TOTAL:** \$189,407

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,700 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 651 square foot garage. The property has a 22,216 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that have the same assessment neighborhood code. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,394 to

3,984 square feet of living area. The dwellings were built from 1995 to 1998. The comparables have basements, two of which have finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 651 to 714 square feet of building area. The comparables have improvement assessments ranging from \$134,297 to \$154,964 or from \$38.90 to \$39.57 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,407. The subject property has an improvement assessment of \$169,463 or \$45.80 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of wood siding or wood siding and brick exterior construction containing from 3,582 to 3,647 square feet of living area. The dwellings were built from 1995 to 2000. The comparables have basements, two of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 651 to 682 square feet of building area. Comparable #3 has a tennis court. The comparables have improvement assessments ranging from \$167,562 to \$176,310 or from \$46.71 to \$48.34 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #4 along with board of review comparables #1 and #2 due to their finished basement area, unlike the subject. The Board also gives less weight to board of review comparable #3 due to its tennis court, which is not a feature of the subject.

The Board finds the best evidence of equity to be appellant's comparables #2 and #3 as well as board of review comparable #4 which are similar to the subject in location, style, age and most features. However, each of the best comparables have a somewhat smaller dwelling size when compared to the subject. The best comparables have improvement assessments ranging from \$139,280 to \$167,562 or from \$39.35 to \$46.78 per square foot of living area. The subject's improvement assessment of \$169,463 or \$45.80 per square foot of living area falls slightly above the range established by the best comparables in the record on a total improvement assessment basis but within the range on a per square foot basis. However, after considering adjustments to

the best comparables for differences when compared to the subject, such as their smaller dwelling size, the Board finds the subject's slightly higher total improvement assessment is justified. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
