

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Garry Chankin
DOCKET NO.: 21-03417.001-R-1
PARCEL NO.: 15-21-207-012

The parties of record before the Property Tax Appeal Board are Garry Chankin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,058
IMPR.: \$147,083
TOTAL: \$185,141

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 2,627 square feet of living area. The dwelling was constructed in 1997 and is approximately 24 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 649 square feet of building area. The property has a 13,939 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .69 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding exterior construction ranging in size from 2,610 to 3,339 square feet of living area. The homes are 20 to 25 years old. Each dwelling has central air conditioning, a basement with two having finished area, and a garage containing either 649 or

862 square feet of building area. Three comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$121,521 to \$165,513 or from \$46.26 to \$50.52 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$129,248 or \$49.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,141. The subject property has an improvement assessment of \$147,083 or \$55.99 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .57 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of wood siding exterior construction each containing 2,600 square feet of living area. The homes were built in 1997 or 1998. Each dwelling has central air conditioning, a basement with one having finished area, and a garage containing 649 square feet of building area. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$146,258 to \$150,865 or from \$56.04 to \$57.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board, with two comparable being common to the parties. The Board has given reduced weight to the appellant's comparables #1 and #2 due to differences from the subject in dwelling size and/or basement finish. The Board also gives reduced weight to board of review comparable #4 due to its finished basement which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #4 along with board of review comparables #1, #2, #3, and #5, which are similar to the subject in age, location, dwelling size, and features. These comparables had improvement assessments that ranged from \$134,544 to \$147,457 or \$50.40 to \$56.50 per square foot of living area. The subject's improvement assessment of \$147,083 or \$55.99 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
