

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph He
DOCKET NO.: 21-03466.001-R-1
PARCEL NO.: 11-08-304-012

The parties of record before the Property Tax Appeal Board are Joseph He, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$57,632
IMPR.: \$105,047
TOTAL: \$162,679

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,696 square feet of living area. The dwelling was constructed in 1978 and is approximately 43 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 420 square foot garage. The property has an approximately 18,177 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property and within 0.34 of a mile from the subject. The comparables have sites that range in size from 10,103 to 20,307 square feet of land area. The properties are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,618 to 2,856 square feet of living area. The dwellings are either 42 or 43

years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage with 420 square feet of building area. The properties sold from April 2020 to March 2021 for prices ranging from \$415,000 to \$465,000 or from \$155.81 to \$173.96 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$144,957, which would reflect a market value of \$434,914 or \$161.32 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,679. The subject's assessment reflects a market value of \$489,260 or \$181.48 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same assessment neighborhood code as the subject property and within 0.26 of a mile from the subject. Board of review comparable #1 is the same property as the appellant's comparable #3. The comparables have sites that range in size from 10,600 to 20,310 square feet of land area. The properties are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,263 to 2,834 square feet of living area. The dwellings were built in either 1978 or 1979 and thus would be approximately 42 or 43 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage with either 420 or 482 square feet of building area. The properties sold from September 2020 to May 2021 for prices ranging from \$432,000 to \$551,299 or from \$156.92 to \$220.95 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested comparable sales for the Board's consideration, as one sale was common to both parties. The Board gives less weight to board of review comparable #3 which differs significantly from the subject in dwelling size. The Board finds the best evidence of market value to be the parties' remaining comparable sales, including the common sale. These comparables are similar to the subject in location, design, age, dwelling size, and most features. The properties sold for prices ranging from April 2020 to May 2021 for prices ranging from \$415,000 to \$551,299 or from \$155.81 to \$194.53 per square foot of living area, land included. The subject's assessment reflects a market value of \$489,260 or \$181.48 per square foot of living area, land included, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's estimated market value as reflected by its assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
