

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kejian Huang
DOCKET NO.: 21-03541.001-R-1
PARCEL NO.: 15-28-101-073

The parties of record before the Property Tax Appeal Board are Kejian Huang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago, and the Lake County Board of Review.¹

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,763
IMPR.: \$154,692
TOTAL: \$195,455

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding and brick exterior construction with 3,166 square feet of living area. The dwelling was constructed in 1992 and is approximately 29 years old. Features of the home include a basement finished with a recreation room, central air conditioning, a fireplace and a 704 square foot garage. The property has a site with approximately 15,880 square feet of land area and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The

¹ The parties agreed to forgo the scheduled virtual hearing on this case and have the Board issue a decision based on the evidence in the record.

comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 3,214 to 3,416 square feet of living area. The dwellings are 27 to 33 years old. The comparables each have a basement with finished area, central air conditioning, one fireplace and a garage ranging in size from 441 to 712 square feet of building area. The comparables have improvement assessments that range from \$127,016 to \$144,640 or from \$39.52 to \$42.34 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,455. The subject property has an improvement assessment of \$154,692 or \$48.86 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding and brick exterior construction, each with 3,166 square feet of living area. The dwellings were built from 1988 to 1992. Each comparable has a basement finished with a recreation room, central air conditioning, one or two fireplaces and a garage with 462 or 704 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$151,259 to \$158,002 or from \$47.78 to \$49.91 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables along with board of review comparable #3 which have a different dwelling size and/or have a smaller garage when compared to the subject dwelling. The Board gives reduced weight to board of review comparable #1 which has an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #4 and #5 which have the same dwelling size, garage size and are similar in location, age, design, and other features. The comparables have improvement assessments that range from \$152,657 to \$155,913 or from \$48.22 to \$49.25 per square foot of living area. The subject's improvement assessment of \$154,692 or \$48.86 per square foot of living area falls within the range established by the best comparables in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
