

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tracey Johnson
DOCKET NO.: 21-03573.001-R-1
PARCEL NO.: 04-28-125-005

The parties of record before the Property Tax Appeal Board are Tracey Johnson, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,261
IMPR.: \$26,136
TOTAL: \$32,397

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of stucco exterior construction with 1,375 square feet of living area. The dwelling was constructed in 1947. Features of the home include a concrete slab foundation and a 624 square foot garage. The property has a 13,950 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales¹ located within 0.49 of a mile from the subject. The parcels range in size from 5,920 to 10,380 square feet of land area and are improved with 1-story homes of wood siding exterior construction ranging in size from 1,304 to 1,320 square feet of living area. One home has a concrete slab foundation, one home has a crawl space foundation, and one home has a basement. Each home has a garage ranging in size from 240 to 528 square feet of building area and two homes each have a fireplace. The comparables

¹ The appellant presented four comparables but only provided sales data for three comparables.

sold from February 2018 to August 2020 for prices of \$57,000 and \$80,000 or from \$43.18 to \$61.35 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,397. The subject's assessment reflects a market value of \$97,435 or \$70.86 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparables located within 0.85 of a mile from the subject. Comparable #1 is a different sale of the same property as the appellant's comparable #2. The board of review presented a listing sheet for the 2020 sale of this property, disclosing it was sold in an as is condition. The parcels range in size from 8,000 to 12,720 square feet of land area and are reported to be improved with 1-story homes of brick, vinyl siding, or wood siding exterior construction ranging in size from 1,218 to 1,416 square feet of living area. The dwellings were built from 1928 to 1964. Three homes each have a concrete slab foundation, one home has a crawl space foundation, and one home has a basement. Each home has a garage ranging in size from 240 to 864 square feet of building area. Two homes each have central air conditioning and two homes each have a fireplace. The comparables sold from July 2020 to August 2021 for prices ranging from \$115,000 to \$160,000 or from \$81.21 to \$122.70 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one comparable having two reported sales, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which sold in 2018, less proximate in time to the January 1, 2021 assessment date and less likely to be indicative of market value as of the assessment date. Moreover, the appellant's comparable #3 has a basement unlike the subject. The Board gives less weight to the board of review's comparables #2 and #5, due to substantial differences from the subject in age and/or foundation type.

The Board finds the best evidence of market value to the appellant's comparable #2 and the board of review's comparables #1, #3, and #4, which are relatively similar to the subject in dwelling size, age, location, site size, and some features. These most similar comparables sold from July 2002 to August 2021 for prices ranging from \$80,000 to \$160,000 or from \$61.35 to \$122.70 per square foot of living area, including land. The subject's assessment reflects a market

value of \$97,435 or \$70.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
