

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey & Paulette Bizar  
DOCKET NO.: 21-03660.001-R-1  
PARCEL NO.: 16-33-404-062

The parties of record before the Property Tax Appeal Board are Jeffrey & Paulette Bizar, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,370  
**IMPR.:** \$151,156  
**TOTAL:** \$212,526

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 2,958 square feet of living area. The dwelling was constructed in 1986. Features of the home include a 1,624 square foot unfinished basement, central air conditioning, a fireplace, and a garage containing 441 square feet of building area. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellants contend assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellants submitted information on 16 equity comparables located within .37 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 2,726 to 3,252 square feet of living area. The homes were built from 1984 to 1987. Each dwelling has central air conditioning, a fireplace, an unfinished basement ranging

in size from 1,211 to 1,521 square feet, and a garage ranging in size from 400 to 638 square feet of building area. The comparables have improvement assessments ranging from \$109,626 to \$141,783 or from \$40.04 to \$45.26 per square foot of living area. Based on this evidence, the appellants requested a reduced improvement assessment of \$129,494 or \$43.78 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$212,526. The subject property has an improvement assessment of \$151,156 or \$51.10 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .28 of a mile and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or wood siding and brick exterior construction ranging in size from 2,826 to 2,963 square feet of living area. The homes were built from 1984 to 1986. Each dwelling has central air conditioning, a fireplace, a basement ranging in size from 1,276 to 1,493 square feet with three having finished area, and a garage containing 400 square feet of building area. The comparables have improvement assessments ranging from \$134,555 to \$150,440 or from \$45.41 to \$51.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants argued that all of the comparables in the record, taken together, support a reduction in the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 21 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the board of review's comparables #1, #2, and #5 due to their finished basements, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the appellants' comparables and board of review comparables #3 and #4, which are similar to the subject in age, location, dwelling size, and features. These comparables had improvement assessments that ranged from \$109,626 to \$150,440 or from \$40.04 to \$51.59 per square foot of living area. The subject's improvement assessment of \$151,156 or \$51.10 per square foot of living area falls within the range established by the best comparables in this record on a per-square-foot basis but above the range overall, which appears justified given its larger basement size. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board

finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
