

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter J. Petropoulos
DOCKET NO.: 21-03670.001-R-1
PARCEL NO.: 07-17-303-003

The parties of record before the Property Tax Appeal Board are Peter J. Petropoulos, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,965
IMPR.: \$100,008
TOTAL: \$114,973

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,299 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement with finished area,¹ central air conditioning, a fireplace, and a 420 square foot garage. The property has a 10,890 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within 0.62 of a mile from the subject. The parcels range in size from 9,148 to 16,354 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,176 to

¹ Additional details regarding the subject not reported by the appellant are found in the subject's property record card presented by the board of review and were not refuted by the appellant in written rebuttal.

2,396 square feet of living area. The dwellings were built from 1992 to 1994. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 400 to 480 square feet of building area. The comparables sold from July 2020 to February 2021 for prices ranging from \$278,000 to \$330,000 or from \$117.00 to \$140.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,973. The subject's assessment reflects a market value of \$345,783 or \$150.41 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.39 of a mile from the subject. The parcels range in size from 10,000 to 15,680 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,016 to 2,398 square feet of living area. The dwellings were built from 1992 to 1996. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 380 to 480 square feet of building area. The comparables sold from April to October 2021 for prices ranging from \$353,000 to \$390,000 or from \$153.25 to \$178.57 per square foot of living area, including land.

The board of review also presented a listing sheet for the subject describing a sale in March 2022 for a price of \$400,000.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued the subject's 2022 sale is remote in time from the assessment date. The appellant further argued the board of review's comparable #3 is a much smaller home than the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven comparable sales and evidence of a March 2022 sale of the subject. The Board gives less weight to the March 2022 sale of the subject, which occurred approximately fifteen months after the assessment date and is less likely to be indicative of market value as of the assessment date. The Board also gives less weight to the appellant's comparables and the board of review's comparables #1, #2, and #3, due to substantial differences from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of market value to be the board of review's comparables #4 and #5, which are more similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$365,000 and \$367,500 or for \$153.62 and \$153.25 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$345,783 or \$150.41 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
