

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raymond & Diane Roman
DOCKET NO.: 21-03673.001-R-1
PARCEL NO.: 15-19-405-002

The parties of record before the Property Tax Appeal Board are Raymond & Diane Roman, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,234
IMPR.: \$219,816
TOTAL: \$265,050

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 5,326 square feet of living area.¹ The dwelling was constructed in 1989 and has a reported effective age of 1993. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 750 square feet of building area. The property has a 43,578 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on five comparable sales located within .98 of a mile of the subject. The comparables consist of two-story dwellings of brick, frame, or brick and frame

¹ The parties differ as to the dwelling size of the subject. The Board finds the property record card submitted by the board of review to be the best evidence of dwelling size in the record.

exterior construction ranging in size from 4,788 to 5,260 square feet of living area. The homes were built from 1985 to 1994. Each dwelling has central air conditioning, one or three fireplaces, a basement with four having finished area, and a garage ranging in size from 730 to 992 square feet of building area. The parcels range in size from 33,010 to 88,180 square feet of land area. The comparables sold from March 2020 to June 2021 for prices ranging from \$500,000 to \$690,000 or from \$95.97 to \$131.18 per square foot of living area, including land. Based on this evidence, the appellants requested a reduced assessment of \$224,244, for an estimated market value of \$672,799 or \$126.32 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$265,050. The subject's assessment reflects a market value of \$797,143 or \$149.67 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .48 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding or brick exterior construction ranging in size from 3,130 to 6,004 square feet of living area. The dwellings were built from 1988 to 1990, with comparable #1 having an effective age of 1995. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 704 to 980 square feet of building area. Comparable #5 has an inground swimming pool. The parcels range in size from 43,650 to 51,760 square feet of land area. The comparables sold from August 2020 to August 2021 for prices ranging from \$565,000 to \$1,017,500 or from \$157.77 to \$223.64 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants argued that the board of review comparables should be given less weight due to differences from the subject in dwelling size.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the board of review's comparables #2 through #5 due to differences in dwelling size and/or inground swimming pool amenity when compared to the subject.

The Board finds the best evidence of market value to be the appellants' comparable sales and board of review comparable sale #1, which are similar to the subject in age, dwelling size,

location, and some features. These most similar comparables sold for prices ranging from \$500,000 to \$1,017,500 or from \$95.97 to \$169.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$797,143 or \$149.67 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
