

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ann Williams
DOCKET NO.: 21-03728.001-R-1
PARCEL NO.: 01-25-200-040

The parties of record before the Property Tax Appeal Board are Ann Williams, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,306
IMPR.: \$86,812
TOTAL: \$95,118

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,872 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished walk-out style basement, central air conditioning, a fireplace, and a garage containing 576 square feet of building area. The property has a 13,200 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.59 miles of the subject. The comparables consist of one-story dwellings of wood siding or wood siding and brick exterior construction ranging in size from 1,704 to 2,068 square feet of living area. The homes were built from 1998 to 2013. Each dwelling has central air conditioning, a basement with one having finished area, and a garage ranging in size from 418 to 576 square feet of

building area. Two comparables each have one or two fireplaces. Comparable #2 has a barn. The parcels range in size from 6,650 to 42,790 square feet of land area. The comparables sold from September 2020 to May 2021 for prices ranging from \$280,000 to \$420,000 or from \$141.68 to \$246.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$94,839, for an estimated market value of \$284,545 or \$152.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,118. The subject's assessment reflects a market value of \$286,069 or \$152.81 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.59 miles of the subject. Comparables #1 and #2 are the same properties as appellant's comparables #1 and #2, respectively, described above. Comparable #3 is a one-story dwelling of wood siding exterior construction with 1,992 square feet of living area. The dwelling was built in 2009. Features of the home include central air conditioning, an unfinished basement, and a garage containing 564 square feet of building area. Comparable #3 has a site containing 8,320 square feet of land area and sold in March 2020 for a price of \$385,000 or \$193.27 per square foot of living area, including land. The board of review also submitted a Multiple Listing Service sheet for shared comparable #2. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the shared comparable #2, which differs from the subject in site size and features a barn unlike the subject. The Board also gives reduced weight to appellant comparable #3 due to its finished basement area, a feature the subject lacks.

The Board finds the best evidence of market value to be shared comparable #1 and board of review comparable #3, which are similar to the subject in age, dwelling size, and features. These most similar comparables sold for prices of \$293,000 and \$385,000 or \$141.68 and \$193.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$286,069 or \$152.81 per square foot of living area, including land, which is bracketed by the best comparable sales in this record on a per-square-foot basis and below the best comparables overall. Based on this evidence and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
