

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANTS: Brian & Mary McGuire
DOCKET NO.: 21-03731.001-R-1
PARCEL NO.: 13-11-400-014

The parties of record before the Property Tax Appeal Board are Brian & Mary McGuire, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,094
IMPR.: \$80,517
TOTAL: \$84,611

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story condominium of frame exterior construction with 1,362 square feet of living area. The dwelling was constructed in 1975. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 242 square foot garage. The property has a 1,362 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within .49 of a mile from the subject. The comparables have sites with either 1,314 or 1,333 square feet of land area that are improved with one-story dwellings of frame exterior construction with either 1,314 or 1,333 square feet of living area. The dwellings were built from 1977 to 1981 and have basements with finished area. Each comparable has central air conditioning, one or two fireplaces, and a garage

with 242 square feet of building area. The comparables sold from October 2020 to April 2021 for prices ranging from \$175,000 to \$217,500 or from \$133.18 to \$165.53 per square foot of living area, including land. Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,611. The subject's assessment reflects a market value of \$254,469 or \$186.83 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .52 of a mile from the subject. The comparables have sites with 1,320 or 1,360 square feet of land area that are improved with one-story condominiums of wood siding exterior containing either 1,316 or 1,362 square feet of living area. The dwellings were built from 1974 to 1981, two of which have concrete slab foundations and three of which have basements with finished area. Each comparable also has central air conditioning, one or two fireplaces and a garage with 242 square feet of building area. The comparables sold from May to December 2021 for prices ranging from \$260,000 to \$360,000 or from \$190.90 to \$273.56 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellants contend county comparables #1 and #5 are not comparable to the subject which lack basements.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to board of review comparables #1 and #5 which have concrete slab foundations when compared to the subject's basement foundation.

The Board finds the best evidence of market value to be the parties' remaining comparables which are similar to the subject in location, age, dwelling size and features. These comparables sold from April 2020 to December 2021 for prices ranging from \$175,000 to \$360,000 or from \$133.18 to \$273.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$254,469 or \$186.83 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's total estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
