

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chanelle Cornwell
DOCKET NO.: 21-03734.001-R-1
PARCEL NO.: 02-11-302-003

The parties of record before the Property Tax Appeal Board are Chanelle Cornwell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,308
IMPR.: \$89,057
TOTAL: \$98,365

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,125 square feet of living area. The dwelling was constructed in 2006. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 667 square foot garage. The property has an 8,690 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within .50 of a mile from the subject. The comparables have sites ranging in size from 9,350 to 11,050 square feet of land area that are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,652 to 3,180 square feet of living area. The dwellings were built from 2004 to 2006 and have unfinished basements. Each comparable has central air conditioning, one

fireplace, and a garage ranging in size from 440 to 657 square feet of building area. The comparables sold from July 2020 to April 2021 for prices ranging from \$249,900 to \$279,900 or from \$78.58 to \$105.54 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,365. The subject's assessment reflects a market value of \$295,835 or \$94.67 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on eight comparable sales that are located within .32 of a mile from the subject. The board of review's comparable #4 is the same property as the appellant's comparable #4. The comparables have sites ranging in size from 10,654 to 13,159 square feet of land area that are improved with two-story dwellings of wood siding exterior construction containing from 2,560 to 3,249 square feet of living area. The dwellings were built from 2004 to 2006 and have unfinished basements. Each comparable also has central air conditioning, one fireplace and a garage ranging in size from 400 to 742 square feet of building area. The comparables sold from July 2019 to June 2021 for prices ranging from \$245,000 to \$319,900 or from \$94.44 to \$110.57 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eleven comparable sales for the Board's consideration, one of which was submitted by both parties. The Board gives less weight to the parties' common comparable as well as board of review comparables #2, #3, #5 and #8 due to difference in dwelling size when compared to the subject. Furthermore, board of review comparables #3 and #8 sold in 2019, less proximate in time to the January 1, 2021 assessment date than the other sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables which sold proximate in time to the assessment date at issue and are similar to the subject in location, age, dwelling size and features. These comparables sold from October 2020 to June 2021 for prices ranging from \$249,900 to \$319,900 or from \$78.58 to \$110.57 per square foot of living area, including land. The subject's assessment reflects a market value of \$295,835 or \$94.67 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's total estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
