

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Konrad Zietara  
DOCKET NO.: 21-03754.001-R-1  
PARCEL NO.: 14-33-404-016

The parties of record before the Property Tax Appeal Board are Konrad Zietara, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$23,260  
**IMPR.:** \$123,608  
**TOTAL:** \$146,868

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,057 square feet of living area. The dwelling was constructed in 1976. Features of the home include a basement, central air conditioning, one fireplace, and a 754 square foot garage. The property has a 27,020 square foot lake front site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .32 of a mile from the subject and within the same neighborhood as the subject. The comparables have sites ranging in size from 30,824 to 37,142 square feet of land area that are improved with 2-story dwellings of frame or brick exterior construction ranging in size from 2,774 to 3,297 square feet of living area. The dwellings were built in 1976 or 1977 and have basements. Each comparable has central air conditioning and a garage ranging in size from 484 to 754 square feet of building area. Three comparables each have a fireplace. The comparables sold from September 2019 to October 2020

for prices ranging from \$318,000 to \$419,000 or from \$114.64 to \$127.09 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$146,868. The subject's assessment reflects a market value of \$441,708 or \$144.49 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .57 of a mile from the subject and within the same neighborhood as the subject. The comparables are reported to have sites ranging in size from 30,210 to 40,740 square feet of land area and are improved with 2-story dwellings of brick exterior construction ranging in size from 2,799 to 3,281 square feet of living area. The dwellings were built in 1976 or 1977 and have basements. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 638 to 754 square feet of building area. The comparables sold from May to October 2021 for prices ranging from \$565,000 to \$593,000 or from \$176.51 to \$211.86 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4 which sold in 2019, less proximate in time to the January 1, 2021 assessment date than the other sales in the record.

The Board finds the best evidence of market value to be the remaining comparables in the record. These seven comparables sold more proximate in time to the assessment date at issue and are similar to the subject in location, age, dwelling size and features. These comparables sold from January 2020 to October 2021 for prices ranging from \$318,000 to \$593,000 or from \$114.64 to \$211.86 per square foot of living area, including land. The subject's assessment reflects a market value of \$441,708 or \$144.49 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
