

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert & Karen Wisbey
DOCKET NO.: 21-03761.001-R-1
PARCEL NO.: 10-27-202-014

The parties of record before the Property Tax Appeal Board are Robert & Karen Wisbey, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,942
IMPR.: \$90,286
TOTAL: \$131,228

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding exterior construction with 1,911 square feet of living area. The dwelling was constructed in 2008. Features of the home include a basement, central air conditioning, a fireplace, and a 480 square foot garage. The property has a 13,377 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales located within 0.46 of a mile from the subject. The parcels range in size from 6,272 to 9,165 square feet of land area and are improved with 1-story homes of vinyl siding exterior construction with 1,911 square feet of living area. The dwellings were built in 2007 or 2008. Each home has a basement, central air conditioning and a 400 or a 480 square foot garage. One home has a fireplace. The comparables sold from

December 2019 to October 2020 for prices ranging from \$330,000 to \$370,000 or from \$172.68 to \$193.62 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,228. The subject's assessment reflects a market value of \$394,671 or \$206.53 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.53 of a mile from the subject. Comparable #4 is the same property as the appellants' comparable #3. The comparables have 6,270 or 8,890 square foot sites that are improved with 1-story homes of vinyl siding and brick exterior construction ranging in size from 1,657 to 1,911 square feet of living area. The dwellings were built in 2007 or 2008. Each home has a basement, three of which are walkouts, central air conditioning, and a garage ranging in size from 400 to 500 square feet of building area. The comparables sold from July 2020 to December 2021 for prices ranging from \$357,000 to \$492,000 or from \$186.81 to \$270.56 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellants contended the board of review's comparables #2, #3, and #5, are smaller homes than the subject.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellants' comparable #4, which sold less proximate in time to the assessment date than the other comparables in this record. The Board gives less weight to the board of review's comparables #2 and #5, which are less similar to the subject in dwelling size than the other comparables in this record.

The Board finds the best evidence of market value to be the appellants' comparables #1 and #2, the appellants' comparable #3/board of review's comparable #4, and the board of review's comparables #1 and #3, which are similar or identical to the subject in dwelling size, age, location, and features, although these comparables have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$330,000 to \$492,000 or

from \$172.68 to \$260.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$394,671 or \$206.53 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
