

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniela Weiszhar  
DOCKET NO.: 21-03774.001-R-1  
PARCEL NO.: 13-15-302-013

The parties of record before the Property Tax Appeal Board are Daniela Weiszhar, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$39,584  
**IMPR.:** \$139,353  
**TOTAL:** \$178,937

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story<sup>1</sup> dwelling of wood siding exterior construction with 2,819 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement with finished area, central air conditioning, a fireplace, an 800 square foot garage and an inground swimming pool. The property has an approximately 42,549 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located from .98 of a mile to 2.65 miles from the subject property. The comparables have sites that range from 41,165 to 42,818 square feet of land area. The comparables are improved with either 1.5-story or 2-story dwellings of either frame or brick and frame exterior construction ranging in size from 2,272 to 3,303

<sup>1</sup> The Board finds the best description of the subject is found in the property record card provided by the board of review which depicts the subject as a 2-story dwelling.

square feet of living area that were built from 1970 to 1989. The appellant reported that each comparable has a basement with finished area, central air conditioning, either one or two fireplaces and a garage ranging in size from 431 to 884 square feet of building area. Comparable #2 has an inground swimming pool. The comparables sold from March 2020 to March 2021 for prices ranging from \$380,000 to \$619,000 or from \$149.37 to \$187.41 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$178,937. The subject's assessment reflects a market value of \$538,156 or \$190.90 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located from .46 of a mile to 2.14 miles from the subject property. The comparables have sites that range from 40,180 to 133,050 square feet of land area. The comparables are improved with 2-story dwellings of wood siding, vinyl siding or brick and wood siding exterior construction ranging in size from 2,672 to 3,212 square feet of living area that were built from 1972 to 1990. Each comparable has a basement with finished area, central air conditioning, either one or two fireplaces and a garage ranging in size from 735 to 858 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from October 2020 to April 2021 for prices ranging from \$548,000 to \$670,000 or from \$200.03 to \$232.64 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #3 and #4 along with the board of review comparable #2 due to their location of over one mile away from the subject property. The Board gave reduced weight to board of review #3 due to its larger lot size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 along with the board of review comparables #1 and #4. The Board finds that these comparables are relatively similar to the subject in location, design, age, dwelling size, and features. These comparables sold from March 2020 to April 2021 for prices ranging from \$475,000 to \$586,500 or from \$168.68 to \$208.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$538,156 or \$190.90 per square foot of living area,

including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
