

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Schwartz  
DOCKET NO.: 21-03808.001-R-1  
PARCEL NO.: 15-36-209-001

The parties of record before the Property Tax Appeal Board are Jason Schwartz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$79,089  
**IMPR.:** \$132,019  
**TOTAL:** \$211,108

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,345 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 614 square foot garage. The property has an approximately 14,750 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales<sup>1</sup> located within .22 of a mile from the subject property. The comparables have sites that range from 9,203 to 11,158 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,922 to 3,411 square feet of living area that were built in either 1995 or

<sup>1</sup> Appellant's comparable #3 does not have sales information and will not be in consideration. Comparable sale #4 will be renumbered comparable #3.

1996. The appellant reported that each comparable has a basement, three with finished area, central air conditioning and a garage ranging in size from 630 to 1,345 square feet of building area. Three comparables each have a fireplace. The comparables sold in May and July 2019 for prices ranging from \$605,000 to \$635,000 or from \$180.30 to \$207.05 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,108. The subject's assessment reflects a market value of \$634,911 or \$189.81 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .20 of a mile from the subject property. The comparables have sites that range from 8,910 to 22,150 square feet of land area. The comparables are improved with 2-story dwellings of either Dryvit or wood siding exterior construction ranging in size from 2,922 to 3,912 square feet of living area that were built in either 1996 or 1997. Each comparable has a basement, two with finished area, central air conditioning and a garage ranging in size from 398 to 690 square feet of building area. Four comparables each have a fireplace. The comparables sold from February to September 2021 for prices ranging from \$624,000 to \$785,000 or from \$200.00 to \$266.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their sales occurring in 2019, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record. The Board gave reduced weight to the board of review comparables #1 and #2 due to their dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparables #3, #4 and #5. The Board finds that these comparables sold proximate in time to the assessment date at issue and are similar to the subject in location, design, age, dwelling size, and features. These comparables sold from March to April 2021 for prices ranging from \$624,000 to \$779,000 or from \$200.00 to \$249.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$634,911 or \$189.81 per square foot of living area, including land, which falls within the range of the best comparable sales in the record on an overall market value but below the range of the best comparable sale on a price per square foot basis. Based on this

record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
