

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexandra Carlson
DOCKET NO.: 21-03813.001-R-1
PARCEL NO.: 16-03-105-001

The parties of record before the Property Tax Appeal Board are Alexandra Carlson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$108,256
IMPR.: \$37,560
TOTAL: \$145,816

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a ranch style dwelling of brick and wood siding exterior construction with 1,574 square feet of living area. The dwelling was constructed in 1956 and has an effective age of 1958. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 484 square foot garage. The property has an approximately 12,445 square foot site and is located in Lake Forest, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .19 of a mile from the subject property. The comparables have sites that range from 8,621 to 11,086 square feet of land area. The comparables are improved with 1-story dwellings ranging in size from 1,389 to 1,874 square feet of living area that were built from 1948 to 1959, with comparable #4 having an effective age of 1957. The appellant reported that each comparable has a basement, a fireplace and a garage ranging in size from 440 to 660 square feet of building area. One comparable has central air conditioning. The comparables sold from January to November 2020 for prices

ranging from \$300,000 to \$460,000 or from \$178.76 to \$275.61 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,816. The subject's assessment reflects a market value of \$438,544 or \$278.62 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .21 of a mile from the subject property. Comparables #2 and #4 are the same properties as the appellant's comparables #4 and #3, respectively. The comparables have sites that range from 8,110 to 11,160 square feet of land area. The comparables are improved with ranch style dwellings of brick exterior construction ranging in size from 1,512 to 1,669 square feet of living area that were built from 1948 to 1960, comparables #2 and #3 have effective ages of 1976 and 1963, respectively. Each comparable has a basement, two with finished area, and a fireplace. Two comparables each have central air conditioning and three comparables each have a garage ranging in size from 440 to 528 square feet of building area. The comparables sold from June 2020 to December 2021 for prices ranging from \$348,000 to \$490,000 or from \$224.52 to \$324.07 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six suggested comparable sales for the Board's consideration, with two comparables being common to both parties. The Board has given less weight to the appellant's comparables #1 and #2 due to their dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the common comparables along with board of review comparables #1 and #3. The Board finds that these are relatively similar to the subject in location, design, age, dwelling size, and features. These comparables sold from June 2020 to December 2021 for prices ranging from \$348,000 to \$490,000 or from \$224.52 to \$324.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$438,544 or \$278.62 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
