

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Hong  
DOCKET NO.: 21-03858.001-R-1  
PARCEL NO.: 15-32-404-044

The parties of record before the Property Tax Appeal Board are David Hong, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,495  
**IMPR.:** \$71,477  
**TOTAL:** \$102,972

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling unit of wood siding exterior construction with 1,886 square feet of living area. The dwelling was constructed in 1997. Features of the home include a concrete slab foundation, central air conditioning and a 416 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same neighborhood code as the subject property. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 1,680 to 1,886 square feet of living area that were built in either 1995 or 1996. Each comparable has a central air conditioning and a garage containing either 415 or 437 square feet of building area. One comparable has a fireplace. The comparables sold from April to September 2020 for prices ranging from \$265,000 to \$280,000 or from \$140.51 to \$160.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$102,972. The subject's assessment reflects a market value of \$309,690 or \$164.20 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales, with comparable #1 being the sale of the subject property. Comparables #2 through #5 are located within 0.10 of a mile from the subject property and in the same neighborhood code as the subject property. These comparables are improved with 2-story condominium units of wood siding exterior construction with either 1,748 or 1,886 square feet of living area that were built in either 1995 or 1996. Each comparable has a concrete slab foundation, central air conditioning and a garage containing 416 square feet of building area. One comparable has a fireplace. The comparables sold from July 2020 to September 2021 for prices ranging from \$292,000 to \$325,000 or from \$167.02 to \$185.93 per square foot of living area, including land. The subject property sold in August 2021 for \$343,000 or \$181.87 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration and the sale of the subject property. The Board finds that the seven comparables are relatively similar to the subject in location, design, dwelling age and features. The comparables sold from April 2020 to September 2021 for prices ranging from \$265,000 to \$325,000 or from \$140.51 to \$185.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$309,690 or \$164.20 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Furthermore, the subject property's recent sale in August 2021 for \$343,000 or for \$181.87 per square foot of living area, including land, is greater than the current assessment of \$309,690 or \$164.20 per square foot of living area, including land. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
