

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pravin Agarwal
DOCKET NO.: 21-03865.001-R-1
PARCEL NO.: 15-33-115-019

The parties of record before the Property Tax Appeal Board are Pravin Agarwal, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,977
IMPR.: \$96,686
TOTAL: \$125,663

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,094 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, a fireplace, and a 441 square foot garage. The property has a 6,645 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales, two of which are located within 0.17 of a mile from the subject. The parcels range in size from 7,635 to 10,920 square feet of land area and are improved with 2-story homes of frame exterior construction with 1,933 or 2,280 square feet of living area. The dwellings were built from 1988 to 1995. Each home has a basement, two of which have finished area, central air conditioning, and a 380 or a 420 square

foot garage. Two homes each have a fireplace. The comparables sold from April 2020 to May 2021 for prices of \$375,000 and \$430,000 or for \$164.47 and \$222.45 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,663. The subject's assessment reflects a market value of \$377,934 or \$180.48 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.68 of a mile from the subject. Comparable #2 is the same property as the appellant's comparable #3. The parcels range in size from 6,610 to 7,640 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 1,933 to 2,155 square feet of living area. The dwellings were built from 1985 to 1995. Four homes each have a basement, three of which have finished area, and one home has a concrete slab foundation. Each home has central air conditioning and a 420 or a 441 square foot garage. Two homes each have a fireplace. The comparables sold from September 2020 to November 2021 for prices ranging from \$430,000 to \$507,000 or from \$215.69 to \$235.27 per square foot of living area, including land.

The board of review submitted a brief contending that the appellant's comparables #1 and #2 are townhouses unlike the subject. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, due to substantial differences from the subject in design. The Board gives less weight to the board of review's comparable #3, which has a concrete slab foundation compared to the subject's basement.

The Board finds the best evidence of market value to be the appellant's comparable #3/board of review's comparable #2 and the board of review's comparables #1, #4, and #5, which are similar to the subject in dwelling size, design, age, location, site size, and features, although three of these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$430,000 to \$507,000 or from

\$222.45 to \$235.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$377,934 or \$180.48 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
