

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ellen Lerner
DOCKET NO.: 21-03914.001-R-1
PARCEL NO.: 15-31-106-003

The parties of record before the Property Tax Appeal Board are Ellen Lerner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,384
IMPR.: \$151,929
TOTAL: \$208,313

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,367 square feet of living area. The dwelling was constructed in 1985 and has an effective age of 1988. Features of the home include a basement with finished area, central air conditioning, a fireplace, a garage containing 1,070 square feet of building area, and an inground swimming pool. The property has a 75,794 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .69 of a mile of the subject, two of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick and frame exterior construction ranging in size from 3,013 to 3,273 square feet of living area. The homes were built from 1979 to 1995. Each dwelling has central

air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 682 to 864 square feet of building area. Comparable #3 has an inground swimming pool. The parcels range in size from 43,617 to 102,802 square feet of land area. The comparables sold from April to November 2020 for prices ranging from \$517,500 to \$595,000 or from \$160.40 to \$195.02 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$195,266, for an estimated market value of \$585,857 or \$174.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,313. The subject's assessment reflects a market value of \$626,505 or \$186.07 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .33 of a mile of the subject, two of which are in the subject's assessment neighborhood. Comparables #3 and #4 are the same properties as appellant comparables #3 and #2, respectively. The comparables consist of two-story or part one-story and part two-story dwellings of brick or brick and wood siding exterior construction ranging in size from 2,950 to 3,177 square feet of living area.¹ The dwellings were built from 1987 to 1995. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 740 to 1,089 square feet of building area. The parcels range in size from 46,170 to 102,800 square feet of land area. The comparables sold from July 2020 to March 2021 for prices ranging from \$517,500 to \$661,000 or from \$171.76 to \$210.51 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties, and which are similar to the subject in age, location, dwelling size, and some features. These comparables sold for prices ranging from \$517,500 to \$661,000 or from \$160.40 to \$210.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$626,505 or \$186.07 per square foot of living area, including land, which is within the range established by

¹ Although the board of review describes comparable #1 as a one-story dwelling, the grid reports 2,367 square feet of ground floor living area and 3,177 square feet of above ground living area, indicating that this comparable is a part two-story dwelling.

the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
