

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Niloy Das
DOCKET NO.: 21-03921.001-R-1
PARCEL NO.: 15-21-219-110

The parties of record before the Property Tax Appeal Board are Niloy Das, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,456
IMPR.: \$111,394
TOTAL: \$137,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 1,983 square feet of living area. The dwelling was constructed in 2013. Features of the home include a basement with finished area, central air conditioning, and a 420 square foot garage. The property is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.26 of a mile from the subject. The comparables are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 1,636 to 1,983 square feet of living area. The dwellings were built from 2006 to 2012. Each home has a basement, one of which has finished area, central air conditioning, and a 420 square foot garage. The comparables sold from April 2020 to January 2021 for prices ranging from \$355,000 to \$415,000 or from \$209.28 to \$229.82 per square foot

of living area, including land. Based on this evidence the appellant requested confirmation of the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$137,850. The subject's assessment reflects a market value of \$414,586 or \$209.07 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.25 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #1. The comparables are improved with 2-story homes of brick exterior construction with 1,983 square feet of living area. The dwellings were built in 2006 or 2013. Each home has a basement, central air conditioning, and a 420 square foot garage. One home has a fireplace. The comparables sold from April 2020 to August 2021 for prices ranging from \$404,000 to \$425,000 or from \$203.73 to \$214.00 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4, which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables, including the common comparable, which are identical to the subject in dwelling size and are similar to the subject in age, location, and most features. These most similar comparables sold for prices ranging from \$404,000 to \$425,000 or from \$203.73 to \$214.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$414,586 or \$209.07 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
