

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Walter Lum
DOCKET NO.: 21-03925.001-R-1
PARCEL NO.: 15-21-302-019

The parties of record before the Property Tax Appeal Board are Walter Lum, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,541
IMPR.: \$202,847
TOTAL: \$244,388

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,495 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, a fireplace, and a 671 square foot garage. The property has a 10,019 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 1.31 miles from the subject. The parcels range in size from 15,055 to 20,038 square feet of land area and are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 3,747 to 4,118 square feet of living area. The dwellings were built from 1991 to 1994. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 630 to 800 square feet of building area. The comparables sold

from January to July 2020 for prices ranging from \$585,000 to \$650,000 or from \$155.42 to \$167.10 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$257,429. The subject's assessment reflects a market value of \$774,223 or \$172.24 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.27 of a mile from the subject. The parcels range in size from 10,890 to 16,550 square feet of land area and are improved with 2-story homes of wood siding or Dryvit exterior construction ranging in size from 3,757 to 4,407 square feet of living area. The dwellings were built in 1997 or 1998. Each home has a basement, four of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 528 to 700 square feet of building area. The comparables sold from August 2020 to August 2021 for prices ranging from \$662,000 to \$755,000 or from \$171.32 to \$184.55 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #2, #3, and #5, due to substantial differences from the subject in dwelling size and/or location.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #4, which are more similar to the subject in dwelling size, age, location, lot size, and features; however, these comparables have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold in August 2020 and August 2021 for prices of \$695,000 and \$755,000 or for \$179.08 and \$171.32 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$774,223 or \$172.24 per square foot of living area, including land, which is above the best comparable sales in terms of total market value and is bracketed by the best comparables on a price per square foot basis. The most similar comparable, the board of review's comparable #1, which has finished basement area unlike the subject but a slightly larger site size, sold for \$755,000 or \$171.32 per square foot

of living area, including land. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
