

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Sheble  
DOCKET NO.: 21-03933.001-R-1  
PARCEL NO.: 15-23-210-009

The parties of record before the Property Tax Appeal Board are Ronald Sheble, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,772  
**IMPR.:** \$108,690  
**TOTAL:** \$174,462

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 2,889 square feet of living area. The dwelling was constructed in 1961 and has an effective age of 1976. Features of the home include a basement, central air conditioning, two fireplaces, and a 506 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.44 of a mile from the subject. The parcels range in size from 18,731 to 21,780 square feet of land area and are improved with 1-story homes of frame exterior construction ranging in size from 2,648 to 3,340 square feet of living area. The dwellings were built in 1957 or 1970 and have effective ages of 1964 and 1974. Each home has a basement with finished area, central air conditioning, two or

three fireplaces, and a garage ranging in size from 380 to 506 square feet of building area. The comparables sold from May 2020 to May 2021 for prices of \$352,500 or \$620,000 or from \$133.12 to \$209.18 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,462. The subject's assessment reflects a market value of \$524,698 or \$181.62 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.53 of a mile from the subject. Comparable #5 is the same property as the appellant's comparable #2. The parcels range in size from 18,730 to 21,340 square feet of land area and are improved with 1-story homes of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,714 to 3,051 square feet of living area. The dwellings were built from 1957 to 1976 with comparables #1, #3, and #5 having effective ages of 1971 and 1964. Two homes have a concrete slab foundation, one home has a crawl space foundation, and two homes have a basement, one of which has finished area. Each home features central air conditioning, one to three fireplaces, and a garage ranging in size from 480 to 594 square feet of building area. The comparables sold from May to July 2021 for prices ranging from \$515,000 to \$555,000 or from \$173.75 to \$191.60 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold for considerably less than other comparables in this record, suggesting this sale is an outlier. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #2, #3, and #4, due to substantial differences from the subject in dwelling size or foundation type.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #5 and the board of review's comparable #1, which are similar to the subject in dwelling size, location, site size, and some features. These two most similar comparables sold for prices of \$515,000 and \$555,000 or for \$173.75 and \$190.33 per square

foot of living area, including land, respectively. The subject's assessment reflects a market value of \$524,698 or \$181.62 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
