

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Johnson
DOCKET NO.: 21-03936.001-R-1
PARCEL NO.: 15-23-402-019

The parties of record before the Property Tax Appeal Board are Diane Johnson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,772
IMPR.: \$121,076
TOTAL: \$186,848

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,997 square feet of living area. The dwelling was constructed in 1969. Features of the home include a basement, central air conditioning, a fireplace, and a 575 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.94 of a mile from the subject. The comparables have 20,038 square foot sites improved with 2-story homes of brick or brick and frame exterior construction. The dwellings range in size from 2,662 to 2,941 square feet of living area and were built from 1967 to 1972. The appellant reported comparable #2 was recently rehabbed. Each home features a basement, four of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 484 to 529 square feet of building

area. Comparable #4 has an inground swimming pool. The comparables sold from June 2020 to April 2021 for prices ranging from \$509,000 to \$532,500 or from \$180.21 to \$198.72 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,848. The subject's assessment reflects a market value of \$561,949 or \$187.50 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.32 of a mile from the subject. The comparables have 20,040 or 25,260 square foot sites improved with 1.5-story or 2-story homes of brick or wood siding exterior construction. The dwellings range in size from 2,730 to 3,005 square feet of living area and were built from 1968 to 1972. Each home features a basement with finished area, central air conditioning, a fireplace, and a garage ranging in size from 462 to 864 square feet of building area. The comparables sold from March 2020 to November 2021 for prices ranging from \$485,000 to \$865,000 or from \$171.99 to \$316.62 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #4, due to its inground swimming pool that is not a feature of the subject, and the appellant's comparable #5, which is less similar to the subject in dwelling size than other comparables in this record. The Board also gives less weight to the board of review's comparable #3, which sold for considerably more than other comparables in this record and appears to be an outlier.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #3 and the board of review's comparables #1, #2, #4, and #5, which are similar to the subject in dwelling size, age, location, lot size, and features, although these comparables each have finished basement area unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold from March 2020 to April 2021 for prices ranging from \$485,000 to \$640,000 or from \$171.99 to \$222.34 per square foot of living area, including land. The subject's assessment reflects a

market value of \$561,949 or \$187.50 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
