

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Sims
DOCKET NO.: 21-03939.001-R-1
PARCEL NO.: 15-24-206-006

The parties of record before the Property Tax Appeal Board are William Sims, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,772
IMPR.: \$129,228
TOTAL: \$195,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 2,808 square feet of living area. The dwelling was constructed in 1973. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 529 square foot garage. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.59 of a mile from the subject. The comparables have 20,038 square foot sites improved with 2-story homes of brick or brick and frame exterior construction ranging in size from 2,662 to 2,941 square feet of living area. The dwellings were built from 1967 to 1972 with the newest home having an effective age of 1973. The appellant presented a listing sheet for comparable #2 describing this property being

rehabbed in 2017. Each home has a basement, four of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 484 to 529 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold from June 2020 to April 2021 for prices ranging from \$509,000 to \$532,500 or from \$180.21 to \$198.72 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,000. The subject's assessment reflects a market value of \$586,466 or \$208.86 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.18 of a mile from the subject. The parcels range in size from 20,040 to 21,780 square feet of land area and are improved with 1.5-story or 2-story homes of brick or brick and wood siding exterior construction ranging in size from 2,582 to 2,862 square foot of living area. The dwellings were built from 1966 to 1974. Each home has a basement, two of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 456 to 594 square feet of building area. The comparables sold from April to September 2021 for prices ranging from \$570,000 to \$705,000 or from \$220.16 to \$246.33 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #5 and the board of review's comparables #1, #3, and #5, which lack finished basement area that is a feature of the subject. The Board gives less weight to the appellant's comparable #4 which has an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #3 and the board of review's comparables #2 and #4, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$509,000 to \$705,000 or from \$183.67 to \$246.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$586,466 or \$208.86 per square foot of living area, including land, which is within the range established by the best

comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
