

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas & Andrea Behm  
DOCKET NO.: 21-03941.001-R-1  
PARCEL NO.: 15-24-205-017

The parties of record before the Property Tax Appeal Board are Douglas & Andrea Behm, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$62,484  
**IMPR.:** \$129,373  
**TOTAL:** \$191,857

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,197 square feet of living area. The dwelling was constructed in 1970 and has an effective age of 1973. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 575 square feet of building area. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on three comparable sales located within .79 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,670 to 3,114 square feet of living area. The homes were built in 1966 or 1969. Each dwelling has central air conditioning, one or two fireplaces, a basement with two having finished area, and a garage

ranging in size from 500 to 600 square feet of building area. The parcels each contain 20,038 square feet of land area. The comparables sold from December 2020 to May 2021 for prices ranging from \$460,000 to \$589,900 or from \$155.75 to \$220.94 per square foot of living area, including land. Based on this evidence, the appellants requested a reduced assessment of \$175,817, for an estimated market value of \$527,504 or \$165.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,857. The subject's assessment reflects a market value of \$577,014 or \$180.49 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .16 of a mile of the subject and within the subject's assessment neighborhood. Comparable #3 is the same property as appellant comparable #3. The comparables consist of 1.5-story or 2-story dwellings of brick exterior construction ranging in size from 2,670 to 3,310 square feet of living area. The dwellings were built from 1966 to 1977. Each dwelling has central air conditioning, one or two fireplaces, a basement with three having finished area, and a garage ranging in size from 456 to 575 square feet of building area. The parcels range in size from 20,040 to 22,220 square feet of land area. The comparables sold from August 2020 to December 2021 for prices ranging from \$559,000 to \$705,000 or from \$195.32 to \$246.33 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellants' comparable #2, which sold less proximate to the January 1, 2021 valuation date at issue in this appeal.

The Board finds the best evidence of market value to be the parties' remaining comparables, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold for prices ranging from \$485,000 to \$705,000 or from \$155.75 to \$246.33 per square foot of living area, including land. Excluding the high and low sales from the analysis results in a tighter range of sale prices from \$559,000 to \$670,000 or from \$195.32 to \$220.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$577,014 or \$180.49 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
