

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Donahue
DOCKET NO.: 21-03952.001-R-1
PARCEL NO.: 15-25-200-026

The parties of record before the Property Tax Appeal Board are Stephen Donahue, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$71,317
IMPR.: \$238,324
TOTAL: \$309,641

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 4,692 square feet of living area. The dwelling was constructed in 2007. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a garage containing 935 square feet of building area. The property has a 38,456 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .7 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame or brick and frame exterior construction ranging in size from 4,344 to 5,288 square feet of living area. The homes were built from 1987 to 1998, with comparable #3 having an effective age of 1993. Each dwelling has central air conditioning, one or two fireplaces, a

basement with two having finished area, a garage ranging in size from 660 to 1,300 square feet of building area, and an inground swimming pool. Comparables #2 and #3 each have a hot tub, comparable #3 has a bath house, and comparable #1 has a finished attic. The parcels range in size from 43,735 to 131,551 square feet of land area. The comparables sold in January and May 2021 for prices ranging from \$755,000 to \$855,000 or from \$151.97 to \$196.82 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$278,364, for an estimated market value of \$835,176 or \$178.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$309,641. The subject's assessment reflects a market value of \$931,251 or \$198.48 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .92 of a mile of the subject, three of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of Dryvit, brick, stone, or Dryvit and brick exterior construction ranging in size from 4,065 to 5,360 square feet of living area. The dwellings were built from 1995 to 2011. Each dwelling has central air conditioning, one or two fireplaces, a basement with three having finished area, and a garage ranging in size from 798 to 1,150 square feet of building area. Comparable #2 has an inground swimming pool. The parcels range in size from 21,000 to 72,660 square feet of land area. The comparables sold from April to July 2021 for prices ranging from \$945,000 to \$1,350,000 or from \$201.49 to \$253.00 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in dwelling size, age, and/or some features. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #3, as well as board of review comparable #4, due to differences in age when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #2 along with board of review comparable sales #1 through #3, which are somewhat similar to the subject in age, dwelling size, location, and some features. These most similar comparables sold for prices ranging from \$815,000 to \$1,350,000 or from \$154.12 to \$253.00 per square foot of living area, including land. The subject's assessment reflects a market value of \$931,251 or \$198.48

per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
